

## NEED TO KNOW

Hours are not guaranteed

Some times are busier - like back-to-school and flu seasons

Requesting a shift does not guarantee that shift

A clinic may be cancelled if not enough patients are registered

## KINDNESS MATTERS

IIC clinics provide a safe and welcoming environment for all, regardless of immigration status, sexual orientation, race, or gender. No address or phone number is required. We ask that patients treat our staff and fellow patients with kindness and respect, and our contractors do the same.

## CLINIC LOCATIONS

School cafeterias  
Libraries  
Community Centers  
Auditoriums  
Churches  
Offices
